

E-SECURITY - KEEPING BUSINESSES SAFE FROM CYBERCRIME

AS PART OF THIS YEAR'S NATIONAL E-SECURITY AWARENESS WEEK, SYMANTEC TOGETHER WITH THE NORTHERN TERRITORY GOVERNMENT, WOULD LIKE TO INVITE YOU TO ATTEND A FREE SECURITY BUSINESS SEMINAR, WITH EVENING DRINKS AND CANAPES.

From spam to hacking into your network to steal personal and financial information, cybercrime is on the rise and impacting businesses worldwide. Steve Martin, Small Business Director, Symantec will provide an insight into how cybercrime has evolved into a mature underground economy and its impact to Australian companies.

Learn how businesses and governments can remain protected online and take the opportunity to network with other businesses.
